

What's been happening?

A Kind Donation

We were very excited this week to receive a delivery of top soil to fill our raised beds adjacent to the Holly Class playground. Now the soil is in place the children will begin to prepare the bed for planting. Watch this space!

We would like to say a huge thank you to 'Greener Groundworks' for donating and delivering the soil and thank you to Makayla's Mum for organising it.

A Great Trip for Holly Class

The children in Holly Class spent the morning at Marshfield Farm on Wednesday. They had the opportunity to tour the factory and the farm, make ice-cream using lots of different flavours and the most important part - taste the ice-cream! The children had a great time and found Mr Foss wearing a hairnet very amusing!

To see photos of the trip please follow Holly Class on twitter. @HollyClass_RE

Well Done Pine Class

The children in Year 2 have had a very busy week this week with their end of KS1 assessments. The children have shown a great attitude, perseverance and resilience throughout the week and have performed very well. We are proud of every single member of Pine Class. Well done!

Also well done to Miss Howells and Mrs Williams who have worked tirelessly with the children over the year and prepared them so well.

Year 6 Team building

Oak Class took part in a team building masterclass on Wednesday with visiting coach Nathan Sutherland. They were given a range of challenges which required groups of children working skilfully together to succeed. It was great to see such enthusiasm from Oak Class. Roll on camp next week where the children can experience even more!

Butterflies

The children in Pine Class were so excited on Thursday lunchtime as one of their much loved chrysalis slowly opened to reveal a beautiful butterfly. The children have been waiting patiently for this event and are now eagerly awaiting the other three butterflies to emerge.

To see photos of Pine Class's newest members follow them on twitter. @PineClass_RE

Bikes and Scooters

We have had a few issues this week regarding the storage of bikes and scooters during the school day. We have allocated the bike shelter for bikes only and have asked for scooters to be placed in the over-flow section near the trim trail. I am aware that we have more bikes coming into school than we can store in the bike section so ask that if the bike shed is full please put any additional bikes with the scooters in extra space provided.

It is great to see so many children riding and scooting to school. Great job!

Extra Swimming

Maple Class have been offered an extra swimming session, as an apology, on the 28th June due to them missing a session earlier this term when the coach failed to turn up.

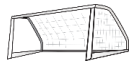

Redfield Edge v St Anne's

The boys from Y5&6 took part in another football match on Monday afternoon. Our boys created many chances and could easily have scored more than one goal. St Anne's defended well though and caught our team on the counter attack. The match ended 3-1 to St Anne's. Great team effort boys.

Mr Monks makes a Plea

The school is looking for any 7-a-side sized goals to use for home matches. Currently we are having to borrow goals from another football club which makes the process of setting up for a match very difficult and time consuming. If anybody has a useful contact or would be willing to sponsor the purchase of goal nets for our school please see Mr Monks or drop into the school office to discuss.

Thank you

Holly Class desperate to get building!

The children in Holly Class are desperate to build an igloo big enough for them to fit in but they do not yet have enough milk bottles! Miss Turner is asking for empty, washed milk bottles to be donated so that the children can get started. Please hand in any bottles you have to the school office.

Congratulations!

Special Achiever Awards

Well done to the following children who all received a certificate in assembly today.

Charlie (Y1)	Jude (Y3)
Jessica (Y3) x2	Carla (Y5)
Ella (Y3)	Akiva (Y3)
Noah (Y4)	Zane (Y4)
Grace (Y4)	Jacob (Y1)

Redfield Edge Star Award
