

What's been happening?

Well that's it, the end of another busy, successful and enjoyable year at Redfield Edge.

We would like to thank you and every one of our pupils for working so hard this year and supporting the school. Once again, it has been a pleasure seeing the happy, confident children develop and progress in every way. To those families whose children are leaving us, I know they have done themselves proud, and they leave very well equipped for the next stage of their education, and for life! For all of those who we will see again in September we hope you have a relaxing and fun summer ready to return eager to learn in anticipation for the challenges ahead.

What's been happening this week?

Music and Dance Festival

On Monday evening the members of our dance club and choir took part in the RISE Alliance Music and Dance Festival at the Hexagon Theatre at King Oak Academy. Our children performed alongside pupils from Longwell Green Primary, Courtney Primary and Cadbury Heath Primary.

The children sang beautifully and danced with confidence; they made Miss Barratt and myself very proud. Well done girls and boys for all of your hard work and thank you for your enthusiasm and boundless energy. Thank you also to the parents who support us so well; it was great to see so many of you there.

We are looking for to next year already!

Leaver's assembly

On Thursday morning we held our leaver's assembly for the children in Year 6 who are moving onto secondary school in September. The children were awarded autograph books as a gift from the Friends and the school sang their farewell song whilst we watched a slide show of photos of the children from their time in reception class all of the way through to present day.

A special award was given to one pupil who was selected for her hard work, fantastic attitude and overall achievement this year. **Chloe** was given a dictionary donated by the Rotary club for outstanding achievements.

Well done Chloe, well deserved.

Farewell Mrs Bendell

During our assembly on Thursday we also said goodbye to Mrs Bendell who has worked at Redfield Edge for the past 18 years.

Mrs Bendell took her seat (the one from the staffroom that she sits in every day!) on the stage whilst the children showered her in flowers and sang a Bon Jovi song (she likes Bon Jovi!). Every child in the school had decorated a message that made up a beautiful card and we watched a slide show of pictures from Mrs Bendell's time here. There was not a dry eye amongst the staff - Mrs Bendell will be greatly missed. We wish her the very best in all her future endeavours.

Cinderella & Rockerfella

The children in Oak Class put on a **fantastic** performance on Wednesday afternoon for all of their families. The children were incredibly professional and the performance itself was truly magical. Each child shone and all of the hard work learning lines, practising songs and building scenery paid off.

Well done to each of you - what a great way to end your time here at Redfield Edge!

Petition Launch

On Friday a number of pupils from Maple Class took part in our petition launch to raise awareness and rally support for more traffic calming measures on the main High Street. Our travel working party has been working together over the past year with members of the council and our local MP Chris Skidmore to improve the traffic speed and ensure the safety of our children coming to and from school.

Cllr Sam Bromiley, Cllr Paul Hughes and members of Chris Skidmore's office joined the children outside of our school to help collect parent signatures, speak to parents and local residents and show their support for our cause. Our launch was covered by 'Made in Bristol' (Sky news channel) and 'The Week In'.

Thank you to all of the parents who signed. If you did not get the chance to sign the petition and would like to offer your support please go onto the website below and sign up.
