'Achieving now in preparation for the future'

Welcome

Easter is fast approaching, only 1 week and 4 days left of Term 4 and still so much to squeeze in!

For your Information

Little Visitors

Unfortunately we have had some cases of head-lice in school over the past week. Can you please ensure that you regularly check your child's hair and then treat appropriately. Head-lice are quite common in children at primary school age and it is important to keep on top of it! We would recommend a nit comb and conditioner at least once a week as this helps to keep the little visitors away! Failing this, maybe consult your local pharmacist to recommend alternative treatments.

Friends Easter fundraiser

Just a reminder that this year the Friends will be hosting a Great Easter Bake Off where children can create an Easter themed sweet or savoury treat. The entries will need to be in school, to be judged on Thursday 24th March. **Please send entries in by next Friday.**

Quiz Night

Make sure you get your entries in soon for the very popular quiz night as places are going fast.

£5.00 per person

6 members per team. Good luck!

Wedding bells!

Congratulations to Miss Lewis who is getting married in just over a week's time. The children in Hazel class will have to start practising her new name - **Mrs Wyatt!** I'm sure you'll all join me in wishing her a fantastic day; we hope the sun shines for you!

St Patrick's Menu

We will be having a special menu on Thursday 17th March to celebrate St Patrick's Day. The menu consists of Irish shepherd's pie or chicken stew and dumplings. There is also a vegetable stew available for the children to choose if they wish. Sweetcorn, savoy cabbage and Irish soda bread will accompany the mains. For pudding, the children can have either apple cake with ice-cream or shortbread with ice-cream or custard. Sounds yummy!!

Payments owed

As we are coming close to the end of the financial year the school office have asked if you could **please make sure you are up to date with any outstanding payments.** Thank you

What's been happening?

Year 1 multi-sports festival

Pupils from Hazel class walked through the puddles and braved the wind on Wednesday to attend the Year 1 festival at Sir Bernard Lovell Secondary School. The event was led by pupils in Year 8 and 9 and helped our children develop skills such as throwing, catching, running and target practise. The pupils from SBL are currently working towards a young leader's award and did a very good job organising a range of games and activities for young pupils from schools in our local area.

'It was very fun at SBL because I liked playing the bean-bag game!'

Charlie P (Y1)

'I liked it because the teachers were very kind'

Ellie (Y1)

Goodbye to Miss Puttock

Miss Puttock, a student form Bath Spa University, is leaving us this week to complete her teacher training at another school. Miss Puttock has spent short blocks of her placement in Hazel class working alongside Miss Lewis and leading a range of lessons. We wish Miss Puttock the very best of luck as she finishes her course and embarks on a career in teaching.

Pipplings

Many of the pupils from Oak class have been working very hard over the term in their new roles as 'Pipplings'. Their job is to support the PIPs at lunchtime by setting up the zones and working with the younger children encouraging to develop their skills and play nicely together. The zones in action include a drama zone, a reading zone, the play-shed, a circus zone and a maths zone. The PIPs have been really impressed with the children's commitment and enthusiasm so far!

Welcome to our new PIP and Maths assistant

We would like to welcome Miss Kitson who has recently joined our staff team as a Playtime Intervention Person and Maths assistant. Miss Kitson will be supervising pupils and running a zone at lunchtime as well as supporting children on a 1:1 basis in the afternoons with their Maths skills.

Congratulations!
