

What's been happening?

Home Sweet Home

Year 5 returned from camp on Wednesday after three fun-filled days at Kilve Court in Bridgwater. The children had a fantastic time taking part in a range of activities and spending two nights sharing wooden chalets with their friends.

If you want to see photos of the trip, please follow Maple Class on twitter: [@MapleClass_RE](#)

Halloween Disco

Our Friends disco on Thursday evening was very well attended and the children looked great in their spooky costumes. Thank you to all of those who helped to set up, run and pack away, it was pleasing to see so many new helpers getting involved.

Pine Class Travelled Back in Time

On Thursday morning the children from Y2 walked to the Kingswood Heritage Museum to learn all about our local area in the past. The children took part in a workshop where they learnt about houses long ago, boot makers in and around the area and how they made shoes. They also had the chance to look at a range of artefacts and had to try to guess what the objects were used for.

'It was really good because we got to go in a coal mine.'
Bryce Y2

'It was really good because we got to see a lot of stuff from the past'
Harry (Y2)

Bag2School

Thank you to all of those who returned your plastic bag full of donations. The total weight collected was 380kg (more than last time) and this equated to **£152** profit for the school

For your Information

Multi-sports

There will be no after-school multi-sports available on **Monday 31st October, Friday 4th November, Monday 7th November and Friday 11th November** due to no sports coach being available to run the sessions. We apologise for any inconvenience. Booking forms for after school clubs went out this week, please complete and return to the school office as soon as possible.

Parking

It has been brought to our attention that a number of parents have been spotted parking illegally outside of the school on the main road and also using the school drive to park and turn around.

Pupils' safety is paramount. Please can I politely remind all parents not to park on yellow lines, not to park in the bus stop or park by mounting the pavement? Thank you for your co-operation in this matter.

Online Payments

A letter came home this week regarding online payments. From Monday you will have the option of paying for school trips, SBL Multi-sports and school uniform online and then breakfast club, school dinners and milk after half term. If you have any difficulties using the new system please contact the school office for support. With any new system there can be teething problems and we thank you in advance for your patience.

Dates for your diary!
