Week beginning 5th September 2016

'Achieving now in preparation for the future'

Welcome Back!

It is so lovely to see all of the children back in school and looking so smart after what I hope was a happy and fun filled summer break. I'm sure they've all grown an inch!

What's been happening?

Magical Maths Club

The children had a visit from Detective... this week during assembly on Tuesday. He was in school to advertise his Magical Maths club which will take place on a Tuesday after school. The children have all been given leaflets containing information on how to sign up. The club was very popular last year so if your child is interested you will need to act quickly!

Maple Class Camp Meeting

The children in Maple class have begun preparing for their 3 day camp away in October. The children will be spending 2 nights and 3 days at Kilve Court near Bridgwater. A wide variety of activities will be on offer and the children will learn new skills, increase their independence and develop their ability to problem solve and work as a team. Miss Powell met with parents this week in preparation as the countdown begins!

Tour of Britain

School was closed on Thursday afternoon due to cycling's premier road event the **Tour of Britain**. Hundreds of cyclists

including some of our own Olympians fresh from Rio cycled past our school at high speed in an attempt to win the south west leg of the week long race. Many of our pupils were able to watch the cyclists with their families and the whole event was very exciting!

For your Information

Chatterbooks @ Cadbury Heath Library

This is a reminder to all children that the Summer Reading Challenge ends on Saturday 10th Sept. If you have not yet completed the challenge, you only have a day left!

The reading challenge organised by the library has been a great success again this year with so many of our children taking part. Please feel free to bring your medals and certificates into school so that we can award you with them during our celebration assembly on Friday.

Cadbury Heath Library will be holding a drop-in craft session on Saturday 10th September between 10am and 4pm. All are welcome!

OFFICE

Please could we remind parents, who haven't already done so, to return the data collection sheets sent out last week. This helps us to keep our information up to date so that we can contact you, or the nominated person, if the need arises. To improve the efficiency in our very busy school office, please ensure that all forms / monies handed in are clearly labelled with children's name and class.

Open Mornings

Our open mornings for prospective parents (2017 intake) will be taking place on **Tuesday 22nd November** at 9am or 11am and **Thursday 24th November** at 9am or 11am.

Thank You...

...to Mrs Fish who spent the morning tidying our school garden on Thursday. Lots of produce was given to the school kitchen to use in our dinners. Mrs Fish also found a giant marrow!

St Anne's Church Family Day

Saturday 10th September 2016

St Anne's School

11.00am - 3.30pm

Birds of prey, brass band, a range of stalls, children's games, BBQ, cakes and prizes to be won.
