

What's been happening?

Willow class assembly

On Thursday morning the children in Willow Class performed their class assembly to the school, family and friends. Their assembly was based on their recent learning all about the stone age. The children put on a play showing off their acting skills and also sang a song in French. The children spoke clearly and impressed those who watched. Well done Willow Class and Mr Monks for preparing them so well.

Library visit

The children in Oak Class walked to **Cadbury Heath Library** on Thursday. They took part in a workshop to find out more about the library and how it works. This was then recorded and put up on display for all visitors to see. The children also enjoyed a game of Dewy bingo to familiarise themselves with the number system used in the library. Niamh won a book for winning the game. Well done Niamh!

We would advise you to continue checking your child's book bag and if you require a paper copy of any letter, please feel free to pop into the office where you can collect one.

Sainsbury's Vouchers

Sainsbury's vouchers will be available in stores from 25th January. Last year we were received some free sports resources from Sainsburys. We would love your help again in collecting as many vouchers as possible so that we can apply for more equipment this year.

Sponsorship for sports kits

Our school has been taking part in sports events and indeed has some football matches coming up soon. The current school kit is looking quite old and worn now and we would love to be able to provide the children with a kit they can be as proud to wear as we are of their achievements. If anyone works for a company or knows of a company who would like to sponsor a new kit for the children we would love to hear from you.

**No Celebration Assembly today due to Edgelets **

Dates for your diary!

	Beech Class Swimming
	Parents Evening

Edgelets

Our 3rd pre-school drop-in session of the year took place on Friday morning and it was a very busy one! We were pleased to see so many new faces and wish to thank the Friends and Miss Turner for organising and running the session. Our little visitors had the chance to decorate cup cakes, make Chinese lanterns and make Chinese dragons. They seemed to really enjoy themselves.

Edgelets dates for the rest of the academic year:

Friday 3rd March - 9.30-11.00am

Friday 19th May - 9.30-11.00am

Tuesday 27th June (Pre-School Sports day) 9.45-11.30am

For your Information

School Uniform

The prices for some items of our school uniform will be increased from 1st March. A new price list will be sent out as soon as we have received one in school. We

have been informed by our supplier that this is due to exchange rate fluctuations as a result of Brexit. We have researched other options however it seems that this will still be the best deal available.

If you wish to purchase any school uniform before the prices rise, please see the school office for an order form or you can order it in the online shop.

Letters to be sent via email

A couple of parents have mentioned that they have not received letters. With this in mind and to help the school budget by reducing the cost of paper we will be sending all letters home in email format from now on. We have been emailing newsletters since October and feedback has been very positive.

When a letter has a reply slip which needs to be returned to school we will send paper copies out too. Please can we ask parents to ensure we have their correct email addresses.
