

What's been happening?

Ofsted

We've had a very busy week this week!

As you will all be aware Ofsted were in school on both Tuesday and Wednesday looking closely at different areas of our school including teaching and learning, safeguarding, leadership and the curriculum. The findings of our inspection will be reported to parents in approximately 5 weeks time.

Although we are unable to discuss the inspection in any detail at this point, we would like to say how proud we are of the children and how they conducted themselves over the two days. Children across the school were very well behaved, polite, articulate and enthusiastic about their school and their learning. Well done to all of them!

We would like to thank all of the parents who completed the online survey and those who encouraged their children to take part in the pupil version.

Friends 'Glow' Disco

The children really enjoyed the 'glow' disco on Thursday. It was great to see such a great turn out. Thank you to the members of the Friends and the volunteer helpers for their continued support.

Hazel Class Assembly

On Thursday morning the children in Year 1 held their class assembly for their parents and family and the other children in the school. The assembly was full of singing, dancing and information linked to their topic this term on toys. The children were very confident and performed very well. It was most impressive considering the short amount of time they had to pull it all together. Well done Hazel Class and Mrs Wyatt.

Beech Class Visit Caerleon

On Wednesday the children in Year 4 travelled over the bridge towards Newport to visit Caerleon. The children have been learning about the Romans and Caerleon is one of the best places to go to gain a real understanding of life during Roman Britain. The class had the chance to look around the museum, visit the baths, dress up and experience the barracks as well as run around the impressive amphitheatre.

The children had a fantastic day!

Thank you to the parents / grandparents who volunteered their time to come along and help.

For your Information

Lost Property

Our lost property area is currently **overflowing** with jumpers, cardigans and other bits and bobs!

We will be wheeling the items onto the playground on Monday, Tuesday and Wednesday after school to enable parents to have a good look through and hopefully claim back their child's belongings.

School Library Open

Our school library is open for children from all classes to use on both a Monday and Wednesday after school from 3.30pm. Children are able to borrow a wide range of books including non-fiction reference books, covering a variety of topics, and fiction books written by the most popular of authors. Books can be on loan for two weeks and the children can take out up to 2 books at any one time. We look forward to seeing more of you take advantage of this great resource.

Congratulations!

Dates for your diary!

DATE	EVENT
Wed 8 th Feb	Last day of Term 3
Thurs 9 th Feb	INSET DAY
Fri 10 th Feb	INSET DAY
Mon 20 th Feb	First day of Term 4
