Week beginning 6th March 2017

'Achieving now in preparation for the future'

What's been happening?

Road Safety Workshop for KS1

On Tuesday morning children in Holly, Hazel and Pine Class took part in a special assembly organised by the South Glos Road Safety Team. Our visitor, Louis Taylor, gave an exciting and entertaining presentation to the infants about the importance of keeping safe around roads with **'Stop, Look and Listen'**. The children learnt how to cross roads safely at a zebra crossing and the need to always hold an adult's hand. There was also a little bit of magic involved which kept the children and adults engaged!

The children really enjoyed the assembly, as did the adults who watched. We would like to have him back again!

'I enjoyed it because he was really FUN' Harry Year 2

Parent Consultation Evening

It was great to see so many parents (93.5%) in school on both Tuesday and Thursday night for parents evening. We hope you found it valuable and left fully informed about your child's progress in the core areas as well as their development with regards their social skills, behaviour and attitude to learning. The 10 minute meetings are also a good opportunity for you, as parents, to raise any concerns you may have and discuss these with your child's class teacher. If, for any reason, you were unable to attend the consultation evening, please contact the office to arrange a convenient time for both you and the class teacher to get together.

Year 5 parents will of course have the opportunity to meet with Miss Powell when she returns to school. The time and dates will be confirmed shortly.

Vet visit

On Monday Hazel and Pine Class were treated to a visit from Longwell Green Vets. The children learnt about what being a vet entails and about the animals they care for. The children met a tortoise called ... and enjoyed the opportunity to ask lots of questions.

Thank you Natalie and Jade for giving up their time to come and see us.

Hazel Class library

It was Hazel Class' turn to visit the Library on Thursday afternoon. Mrs Brickell walked the children through North Common with the help of staff and parents so that the children could learn all about how the library works.

Thank you to the parents who came along to help.

For your Information

St Patrick's Day Menu

This is a reminder that on Thursday of next week the menu in school will have an Irish theme to celebrate St Patrick's Day. For details please see our website: Redfieldedgeprimary.co.uk

School Driveway

Please can we remind parents not to use the school carpark or driveway to drop off, collect or turn around at the beginning or end of the day (unless otherwise agreed). It can become a very busy area and we must put children's safety first.

We would also strongly discourage parents from parking on the zig-zag lines and in the bus layby in front of the school as this causes disruption and can be very dangerous for other road users and pedestrians.

Friends Quiz Night

The up coming Quiz night for parents, organised by the Friends, has been **postponed**. Please look out for a new date in the summer term.

Congratulations!

Dates for your diary!

DATE	EVENT
Mon 13 th Mar	Mock SATs week - Y6
	SATs Breakfast for Y6 all week
Tues 14 th Mar	Redfield Edge v St Michaels Primary (away)
Thur 16 th Mar	Holly Class visit Cadbury Heath Library
