

## What's been happening?

### Hoodwinked

Beech and Willow class put on an amazing show featuring Robin Hood, Maid Marion and a whole cast of merry men and women, and of course the dastardly Sheriff of Nottingham. The singing was fantastic, with duets, solos and ensemble pieces. (It was so good Mr Monks could not stop himself from joining in) The acting was top class, the scene changes were brilliant and the two narrators did a fantastic job, all without a prompt card in sight. Even after a technical hitch, the children were so professional they managed to carry on with barely a hiccup.

### Hazel Class Assembly

Hazel Class assembly was very well attended. The assembly was on the theme of 'Green Fingers' the Hazel Class topic.

They showed the fantastic gardens they had made at home over Easter, they retold the story of Jack and the Beanstalk, they showed off their knowledge of parts of a plant, and showed the beans they had been growing in class as well as some of the art work they have done this term. It was so good the class was awarded a Redfield Edge Star Award.

### The Dogs Trust

The children in Hazel and Pine Classes learnt how to be dog smart.

[www.learnwithdogstrust.org.uk](http://www.learnwithdogstrust.org.uk) The website gives lots of advice on how to behave around dogs and especially how to be safe around other people's dogs. Many young children think when a dog is growling that it is smiling! So one of the most important rules to be safe around dogs was 'only stroke a dog when the owner says, "yes, you can."'

### Tweeny Park Trip

Well, it's been a busy week for Hazel Class! On Monday they walked to Tweeny Park. On the way there they used ipads and other resources to identify the wild plants they passed. They then had fun on the play equipment in the park. Back in school they used the leaves and flowers they had collected to make collages. Many thanks to the parents who helped out on the trip.

### Stranger Danger

All pupils have received updated age appropriate stranger danger training this week. The school was informed that there have been two recent cases of adults in vehicles approaching secondary aged pupils. One incident happened in Hanham and the other more recent incident happened in North Common. The police were involved in both cases.

Please could parents and carers reinforce the stranger danger message.

### Scooter Training

Hazel and Pine Classes received scooter training from the South Glos Transport Department. The children learnt how to stop safely, corner properly, how to steer around an object

and what safety

gear to wear to ensure heads, knees and elbows are well protected.

### Heatree House Yr6 Residential

If you have been following on Twitter you will know they have had a glorious time with wonderful weather. There will be a full report in the next newsletter.

## Have a great half term holiday!

### Dates for your diary.

DATE	EVENT
