

## What's been happening?

### Year 6 SATs

It has been a very busy week in Oak Class this week with the children sitting their Statutory Assessment Tests. The children completed a reading paper, a SPAG paper, a spelling test and three maths papers (Arithmetic, Reasoning 1 and Reasoning 2). Miss Barratt and the staff invigulating the tests were incredibly **impressed** with the way all of the children conducted themselves throughout the week.

The children have worked incredibly hard leading up to the tests and are now looking forward to their Year 6 residential camp in Dartmoor and getting ready for their end of year production.

Thank you to the Friends who supplied a SATs breakfast for the children each morning to help them relax and prepare them. Thank you also to the parents who gave up their time to set out, hand out and tidy away the breakfast. Your help is much appreciated.

Oak Class spent their Friday having lots of fun following a hectic week. Here they are making malteser tray bake - it was very yummy (*I checked!*).

### Voice Coach

Cara Clarke from South Glos Music Hub has been coming into school on a Tuesday morning to run a singing workshop in Year 3. The children have been learning new songs and developing skills such as pitch and voice projection. The children in Willow Class look forward to her visit and are enjoying the experience.

## For your Information

### After School Clubs

We do have some spaces available for clubs taking place this term and term 6. If you are interested, give the office and call and sign up.

Choir	Mon	Term 6	7 spaces
Athletics	Thurs	Term 5+6	8 spaces

### Warmer Weather

It has been lovely to see the sunshine a little more! The children have been using the field and making the most of the dry weather. Hats, a full water bottle and sun lotion are strongly advised in the heat. We have very little shade and so it is vital the children are well covered. (Please note we are unable to apply sun lotion for children, they will be expected to do it themselves.) We would suggest a once a day sun cream that can be put on in the morning before school.

### Sainsbury's vouchers

Sainsbury's have now stopped giving out their vouchers for schools. If you have any at home, we would appreciate it if you could bring them in asap so that we can count them up and order new resources from their brochure. We will let you know how many were collected and how they are spent in a future newsletter - watch this space!

### Plant Sale

Mrs Sheppard, with the help of some pupils, will be holding a strawberry plant sale on Thursday 18<sup>th</sup> May afterschool in the shelter area. The plants have come from our school garden and we are very keen for them not to go to waste. The money raised will be used to buy garden tools, seeds or compost.

### School Library

This is a reminder that our School Library is open after school on a Monday and a Wednesday for children to borrow books. Every child in the school has membership - it would be great to see it used more often.

## Congratulations!

## Dates for your diary!

DATE	EVENT
Tues 9 <sup>th</sup> May	Voice coach to work with Year 3
Thur 11 <sup>th</sup> May	Governor Day
Mon 15 <sup>th</sup> May	Drama Workshop for Holly & Hazel
