

What's been happening?

Redfield Edge Summer Fun Day

Our Summer Fun Day was a huge success and it was fantastic to see so many of our families there enjoying the sunshine, browsing around the stalls, watching the dance performances and cheering at the Punch and Judy show.

Thank you to the Friends for all of their hard work organising the fun day and to all of the volunteers who gave up their time to set up, run a stall or pack away. A special thankyou to Mrs Woodruff for taking the lead on this one. 

The event raised a fantastic **£706** that will pay for a travelling theatre to come into school and new reading books / class books for KS1.

Kwik Cricket

On Tuesday Mr Monks took a group of children from Years 3 and 4 to Frenchay Cricket ground for a Kwik Cricket tournament arranged by Gloucestershire Cricket Board. The children from Redfield Edge made up two teams. The children had a great time and thoroughly enjoyed their day.

Thank you to **Mrs Andrews** who also went along to help.

Freeze Pop Fridays...on Tuesday and Wednesday!!

We were spoilt with some beautiful weather this week with temperatures reaching 30 degrees. A number of impromptu ice lolly sales went down well with many hot and sweaty children. We raised **£59.79** over the two days. This will be added to the Summer Fun Day total. 

Congratulations!

Thank you Chief Trading

We would like to thank Chief Trading for their donation of compost and seeds for the garden. It is very much appreciated.

Bags2School

Thank you to those of you who brought in their Bags2School donations. The mountain of bags (400kg) was collected on Wednesday and raised **£160** which goes towards the Friends. This money will help to buy resources for the school and experiences for your children.

Skoolbo

Congratulations to the amazing members of Skoolbo (early morning Maths club) for achieving their **150,000** questions. The children have worked so hard since September. Well Done!

For your Information

Trim Trail Out of Action

On Monday (26th) the trim trail will be out of action for the day as work on a damaged pipe under the ground needs to take place. We have been informed that the job should take no more than a day so we are hopeful that the children will be able to use the equipment again on Tuesday.

Holly Class Outdoor Area

Can we please remind parents not to allow their pre-school aged children into the Holly Class outdoor classroom after school. This area becomes very congested at the end of the day and this can make it difficult for the class teachers to dismiss their pupils in a safe and timely way.

Goodbye

Sadly, we are saying goodbye to **Miss Kitson** this week who has been a PIP, Maths assistant and Breakfast Club Assistant in school for over a year. We wish to thank Chelsea for her hard work and very early mornings! We wish her the very best in all of her future endeavours.
