

What's been happening?

Day out in London

On Wednesday, Year 6, accompanied by 7 members of staff, made their way to London. The children have spent the whole year raising money to pay for a trip to take them along the river Thames and to visit the West End.

We boarded the boat at the London Eye and took our seats on the top deck. We learnt lots about the landmarks situated along the river and the bridges that go across it.

After the cruise we made our way back to the coach and headed for the Cambridge Theatre. There we took our seats for the **fantastic** musical **Matilda**. The incredible set and the performance by such a young cast were an inspiration for the Year 6 children. It was brilliant!

Oak Class behaved impeccably in London and represented Redfield Edge very well. **Well Done!**

Phonics Screening

Mrs Wyatt was extremely proud of the children in Year 1 who took their phonics Screening test earlier in June. Almost 90% of pupils passed and Mrs Wyatt would like to express her thanks to the parents who have supported their children so well at home.

Great job Hazel Class!

Year 4 debate

A group of pupils from Beech Class has been working hard this week preparing to take part in the annual Rise Alliance debate where they will be competing with children from Longwell Green, Courtney and Cadbury Heath Primary schools. **Good luck debate team!**

Maple Class visit Sir Bernard Lovell

On Tuesday the children from Year 5 spent the day at SBL for a taster day. This time next year our current Maple Class will be preparing to leave Redfield Edge and move on to secondary school. This day, organised by SBL, marks the start of transition for the children, giving them the opportunity to see first hand what a day in the life of a Year 7 student would be like.

Pre-School Sports Day

We were delighted to welcome Oldland Pre-School along with our new september Holly Class to school on Tuesday for our annual Pre-School sports day. The pupils from Year 6 organised and lead a range of activities for the children to take part in as well as a series of races. Well done Year 6 for all of your hard work and thank you to all the parents who brought their children along.

For your Information

School reading books

We have noticed that a number of our school books are looking in poor condition and that many of them have gone missing. We would ask for parents to have a look at home for any school books that may have been left and return them to school by the end of the school year. We would also ask that children take great care and look after the books as they are an expensive resource to replace.

Donations

We would like to thank **Fonthill Garden Centre** for their kind donation of compost and seeds for our school garden. The children have used these to enhance our school garden and to fill the planters outside of Maple and Oak Class.

Thank you ☺

Thank you to **KP Wilton and Sons Ltd** for agreeing to sponsor our new football kits. They are being made as we speak and a photo will follow, watch this space.

A request from the School Office

Please ensure that all payments for clubs, dinner or trips are paid in full by the end of term.

Congratulations!

Dates for your diary!
