

What's been happening?

Roald Dahl Day

On Wednesday the children celebrated the life and works of Roald Dahl in their classes. Each class chose a famous story written by the author and took part in a range of activities linked to his books.

Year 1	The Enormous Crocodile 2D shape pictures Descriptive writing Sequencing a story
Year 2	The Twits Collage of Mr Twits beard Descriptive writing
Year 3	The Enormous Crocodile Descriptive writing Large class collage of the Roly Poly Bird
Year 4	Georges Marvelous Medicine Designed their own potions in French Fact File on Roald Dahl
Year 5	Charlie and the Chocolate Factory Designed and made their very own chocolate bars. Made popping candy chocolate blocks Descriptive writing based on a scene from the film. Wrote slogans to persuade others to buy their product.
Year 6	Diary entries based on a range of characters from different stories Illustrations in the style of <i>Quintin Blake</i> .

At the end of the day the children presented their work in a special assembly.

The children really seemed to enjoy the day and they produced some terrific work. Well done all!

Maple Class Pedestrian Training

The Road Safety Team from South Glos came into school on Tuesday to work with the children from Maple Class teaching them about being safe on and around the road. The children learnt where and how to cross a road safely, putting their learning into practise with the support of some parent helpers. Thank you to the parents who came along to help.

Bristol Zoo visit Beech Class

On Thursday Beech Class were treated to a visit from representatives from Bristol Zoo and some of their creepy crawlies! The children had the opportunity to have a hands on experience with a range of critters including Giant Madagaskan cockroaches, a snake and a twenty year old American turtle. The children loved it!

Welcome to Meetings

This weeks parents / carers were invited along to meet their child's new class teacher and to find out what is install during the year ahead. It was a great opportunity to gain an understanding of expectations within the class, routines, topics, upcoming trips, homework and of course to ask any questions. It was great to see so many parents attend, we hope you found them useful. If you were unable to attend, please catch your class teacher at the end of the day to pick up any handouts.

Welcome Miss Andrews

We would like to officially welcome Miss Andrews to our school as our new Year 3 teacher. Miss Andrews has enjoyed her first couple weeks at Redfield Edge and is looking forward to the year ahead.

For your Information

Inhalers in School

If your child has Asthma and therefore requires an inhaler in school, please complete a medical form from the school office so that we can keep our records up to date.

Nut Allergies

Just to remind parents that we have several children with life-threatening nut and seed allergies in school. For safety reasons, we must insist that parent/guardians NEVER send children to school with peanut butter sandwiches, Nutella, cereal bars containing nuts or indeed anything containing nuts or sesame seeds (i.e. on buns or snack bars.) Thank you for your co-operation and understanding.

Story Book Selfies

Judging of the story book selfie competition will take place at the end of next week with prizes being awarded in assembly. If you have not yet handed in your entry, please do so by Friday 22nd September. Well done to all of those who have entered so far - we have some great shots!

Open afternoon

On Thursday afternoon (next week) the classes will be open after school for parents and carers to look at the work the children have been doing so far. It is a nice opportunity to look in books, look around the classroom and speak with the class teacher about what the children have been learning. We hope to see you all there.

Congratulations!

Dates for your diary!
