

What's been happening?

Goodbye Mrs Gorfin

On Wednesday we held a special leaving assembly for Mrs Gorfin. The children presented her with a book of messages from children and staff and a bunch of flowers as a thankyou from the school.

Mrs Gorfin kindly presented each class with a book of Bible stories and some books for our school Library. Thank you Mrs Gorfin. We wish Rose a happy and fulfilled retirement.

Harvest Festival for KS1

On Thursday we celebrated Harvest in school with both KS1 and KS2 performing a special Harvest assembly. The classes in KS1 (Holly, Hazel and Pine) sang songs, performed poetry and talked about their experience of growing beans to their family and friends.

The children seemed to really enjoy being on stage and made their teachers very proud. Well done KS1!

Harvest Festival for KS2

The children from Willow, Beech, Maple and Oak classes put on a fantastic Harvest celebration on Thursday morning.

The children sang beautifully and shared important messages regarding healthy eating, looking after our planet, being thankful for what we have to eat and sharing with others.

Well done to the children and to the adults for preparing and performing such a treat.

We wish to thank you, for the tinned and dry produce donated this year. There seemed to be more than ever! Also, £58 was raised to be split between our international charities, send a cow, which encourages self-help and sustainable developments, and Julian House, the local shelter for the homeless.

Willow Class visit Cheddar

Year 3 were very excited this morning as they were preparing for their class trip to Cheddar Gorge. The children will be spending the day learning about the caves, touring the area and taking part in a range of workshops to further their understanding about life during the stone age.

Look out for pictures and information on how they got on in the first newsletter after half term.

For Your Information

School Uniform

We have noticed that a number of children have been coming into school wearing items of clothing that are not part of our school uniform. We wish to remind parents that the schools expectation is that all pupils follow our school uniform policy which can be found at www.redfieldedgeprimary.co.uk.

Topics for next Term A new term brings a new topic and below are the topics the children will be studying next term.

Holly Class	Colour, Bears and Christmas
Hazel Class	Who were the Dinosaurs? - History and science based topic looking at classification of animals and all things dinosaurs.
Pine Class	Dragons - (ext from Term 1) How Can we Keep ourselves healthy? - Science based topic on eating healthily and keeping fit.
Willow Class	The Egyptians - How they lived, the Gods and how their lives have impacted us today.
Beech Class	Robots - Science based topic with a focus on electricity.
Maple Class	The Victorians - History based topic learning about the life and times in the Victorian era.
Oak Class	The Fundraising Project - organising, preparing and running stalls at the Christmas Fayre to raise funds for a class trip to London in the summer.

Class teachers are always keen for parent support so if you have a particular interest/expertise in any of the above topic areas or are just keen to help out in class, please see your class teacher to express your interest.

Flu Vaccination A reminder that this will take place on Friday 1st Dec for children in EYFS to Year 4.

Congratulations!
