

Pupil Premium Impact Report

- The Pupil Premium is allocated to children from low-income families who are currently known to be eligible for FSM in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months.
- Total funding through the Premium will increase from £625m in 2011-12 to £1.25bn in 2012-13.
- The level of the premium in 2011-12 is £488 per pupil for pupils eligible for free school meals (FSM) and for pupils in care who have been continuously looked after for six months. It will increase to £600 per pupil in 2012-13.
- The Pupil Premium was introduced in April 2011, and paid to local authorities by means of a specific grant based on January 2011 school census figures for pupils registered as eligible for FSM in reception to Year 11. For looked after children the Pupil Premium was calculated using the Children looked after data returns (SSDA903).
- The Pupil Premium was also paid to academies via the Young Peoples' Learning Agency.
- Local authorities are responsible for looked after children in care and will make payments to schools and academies where an eligible looked after child is on roll.
- The Government has decided that eligibility for the Pupil Premium in 2012-13 will be extended to pupils who have been eligible for free school meals (FSM) at any point in the last 6 years. Earlier this year we consulted on options for extending the coverage of the Pupil Premium. As a group, children who have been eligible for FSM at any point in time have consistently lower educational attainment than those who have never been eligible for FSM.
- Up to £50m of the £1.25bn will be used to support a Summer School programme to help the most disadvantaged pupils make the transition from primary to secondary school. This approach received the highest support in the recent consultation with 44% of those responding backing its introduction.

Service Premium

- A premium has also been introduced for children whose parents are currently serving in the armed forces; this was £200 in 2011-12 and rose to £250 for 2012-13. This service premium is designed to address the emotional and social well-being of these pupils.

Redfield Edge Primary School Pupil Premium 2012-2013

£14,068 of pupil premium money was allocated to **Redfield Edge Primary School** in the financial year 2012-2013.

The pupil premium money was spent on four areas.

1. £4,817 has been allocated to Family Link work.
2. £2,000 has been allocated to Breakfast Club set up costs.
3. £6,176 has been allocated on two members of staff who targeted reading recovery in Yr1 – Yr5.
4. £1,075 has been allocated to special educational needs interventions for FMS pupils identified as having an additional learning need.

The impact

Attendance for FSM pupils increased to 95.4% T1 – T5 2011-2012

No FSM pupil has less than 85% attendance.

For the last two years Redfield Edge FSM pupils exiting Year 6 have had attainment in reading greater than National Non FSM.

For the last two years all Redfield Edge FSM pupils exiting Year 6 have reached the age related expected level in Maths and English.

For the last two years Redfield Edge FSM pupils exiting Year 6 have significantly exceeded National FSM pupils in numeracy.

FSM pupils in Year Two exceeded National non FSM attainment in reading.

Family Link records indicate greater engagement with the school by parents and carers of FSM/Ever pupils. Support with homework routines, bedtime routines and learning expectations has seen a subsequent improvement in FSM/Ever pupil outcomes.
