

Redfield Edge Primary School

Parent Survey

March 2020

May 2021

As of the 18th March, the school received 52 responses to the school survey. We were hoping for more responses and intended to question parents during parents evening to ensure a complete picture of parent view. Due to Covid19 and a need for the school to close, this was not possible.

*** A child was questioned and said 'no' to feeling safe due to an incident in school where another child kicked him. It was recognised by his parent that this had been a one off incident.**
