NSPCC

Online Safety

We have arranged for a representative from the NSPCC to lead x2 parent workshops all about **Online Safety**.

The sessions will provide you with insights about how young children may be using the internet, the associated risks, with each session covering different aspects of online safety from gaming, grooming and social media, to mental health, online bullying and parental controls.

Whether your child is in reception or Year 6 – you will want to attend!

Learning In Maple Class

The children in Year 5 have had their art tutorial session this week in order to produce artwork for our special art gallery evening we are planning to hold next term.

The children followed step by step tuition to create some pretty impressive pieces.

Learning in Holly Class

This week in Holly we went on a walk around the school to notice 2D and 3D shapes. We are learning their names, but also to describe them with mathematical language.

Oracy Opportunity

If you could be an animal, what animal would you be and why?

Nativity Practise

Rehearsals for this year's KS1 nativity are well underway. Songs are being rehearsed, lines learnt and props made. It is all so exciting for all involved and we cannot wait to welcome families and friends to come and watch.

Forest School

(Term 2 – Orienteering)

Below are the details of who will be taking part and when. When it is your child's turn, you will need to ensure they have a **water proof coat, water proof trousers (if you have them), a hat, gloves and wellies.** It is very likely the children will get wet and possibly muddy.

Monday 5 th December 2022	Year 2	A
Thursday 8 th December 2022		B
Monday 12 th December 2022	Year 1	A
Thursday 15 th December 2022		B

The children will be split into two groups of approx. 15 – Group A and Group B. You will be informed of which day your child is taking part via Parentmail.

On your child's forest school week, please hang their wet weather clothes on the pegs in the outside classroom (there will be name labels). This will enable children to use the outside class as their base without bringing wet and muddy clothes/wellies into school.

Learning in Pine Class

This week we had some special nurse visitors come into Pine Class to talk about their jobs! We learnt about The Bristol Children's Hospital and different heart conditions in babies all the way up to 18 years old.

We used a stethoscope to hear our hearts. We also learnt about our eyes and how they work. We were able to look at a special eye from the eye hospital and learn all the different parts. Thank you very much special helpers!

Breakfast with Santa

On Saturday we welcomed lots of our families into school for a very special Breakfast with Santa. Families had the opportunity to sit down together, enjoy a cooked breakfast courtesy of Chef Phil and meet Santa himself.

The children received a present from Santa and parents could take photos of their children with Santa in his grotto.

The intention of the event was never to make a huge profit for the school but more an opportunity for families to share an affordable Santa experience with their children. Judging by the reactions and feedback from parents, I believe the Friends achieved this brilliantly.

A huge thankyou to the Friends for all of their hard work organising this event and to the staff who came along to help make it happen. 😊

House Points

This week's house point results

Savernake Wood = 140

100 Acre Wood = 117

Sherwood Forest = 148

Forest of Dean = 153

Well Done 😊

(roll-over week)

(in the lead for the term so far – 100 Acre Wood)

Edgelets (Pre-school drop-in)

On Wednesday, we welcomed families with pre-school children into school for our termly Edgelets session. This is an opportunity for families to come together in the school setting with staff from school and Friends of Redfield Edge. This is a great transition opportunity and community event.

Edgelets dates for after Christmas:

Wednesday 25th January 2023

Wednesday 15th March 2023

Wednesday 17th May 2023

Hazel Class

The children in Hazel Class have been learning all about dinosaurs this term. They have learnt about the different types of dinosaurs (herbivore, carnivore, omnivore) and about what their habitats may have looked like.

The children created their own habitats, using art materials, considering what the dinosaur would eat and the shelter they would need.

The children also created their habitat using the 'Paint' computer programme. Great job Hazel Class! 😊

Learning in Oak Class

The children in Year 6 have been extremely busy this week preparing for their Christmas Fayre which is taking place on Friday 9th December.

Over the last couple of days in groups, the children have designed and created their shop fronts for their stalls. They just need to add lights (using their science skills) to finish the look!
