

The Importance of Reading

The importance of reading for children cannot be underestimated. Reading for pleasure can benefit a child's education, social and cognitive development, their wellbeing, and their mental health.

Engaging with books allows us to be transported to other places and worlds. We can become immersed in the lives of fictional characters or learn more about the world around us.

Reading is a key life skill. It is placed at the heart of our curriculum; we have carefully selected texts which will ignite children's imagination, inspire their curiosity and provide a window to the world.

It is commonly said that a child's future academic success and job prospects are directly related to their reading proficiency.

Parents in Partnership

It is crucial for both school and parents to actively teach their child to read. We need you to create a home environment where reading is encouraged and seen as a pleasurable experience.

Spending just 10-15 minutes reading with your child every day will be invaluable in developing their ability and desire to read and learn.

Reading is the key to success...

High-quality books

We will ensure that your child has a reading book which is suitably pitched to build both confidence as a reader and fluency.

We will also provide your child with a free-choice library book for enjoyment. Allowing children free choice helps them to develop their identities as a reader as they learn which books / authors they like and which they do not.

Additionally, your child in EYFS-Year 2 will be given an online ebook login to our Rocket Phonics resources.

In 2022 we invested into this SSP programme which follows a consistent approach for all pupils and the sounds your child is learning in class will be matched with the target practise book your child can access online.

Supporting your child

- Read at least 4 times per week with your child
- Record your child's reading in their Reading Record so that they can earn a house point!
- Make reading time pleasurable by finding a quiet, comfortable space and giving your child your full attention.
- Ask your child simple questions as they read to check their understanding
- Use positive language and praise their reading efforts
- Read to your child as part of your evening routine. This builds vocabulary, feeds imagination and can even improve sleep patterns.
- Ask them about books/ stories they are reading at school (your child's class books are shared on the website)

School Routines

- Your child's reading book will be changed every week or, if a chapter book, once completed.
- Reading records are checked by the class teacher/TA and your child will be awarded 1 house point for reading x4 per week at home.
- Ebooks are updated a few times a term depending on how many sounds have been taught in class and will be updated accordingly. Your child's login details can be found in their reading record.
