'The Three Billy Goats Gruff' Pine Class Performance

On Thursday, the children in Year 2 performed to family and friends in their mini production 'The Three Billy Goats Gruff'. The children had spent only a short period of time learning their lines and practising songs and they did a fantastic job.

The performance was well organised, the children clear and confident and the songs sang beautifully.

A HUGE well done to the children for such an impressive performance and Miss Andrews and Mrs Foster for putting it together with the children in Pine Class. 😊😊😊

Sports Day 2023

On Monday, the children across the school took part in this year's sports day. Mr Monks (Head of PE) organised the day to ensure all children were able to take part and earn precious points for their house.

In the morning, children from Holly, Hazel and Pine class took part in a circuit of activities led by the children in Oak Class. Activities such as hitting a target, long jump and sack race warmed the children up nicely before their sprint races! I hear the Year 6 children did a great job – well done all of you!

It was lovely to have parents joining us for the morning, cheering on the children and enjoying the fun!

At lunchtime, families were invited to have a picnic lunch with their children. This is always very popular and again, we were pleased to see so many families there supporting their children and the school.

Thank you Mr Nick's for providing much needed ice-cream on such a warm day!

In the afternoon, it was the turn of KS2. Willow, Beech, Maple and Oak class took their turn in trying to run the fastest, jump the furthest and throw the most accurate in order to earn points for their house.

The afternoon was rounded off with sprint races including a race for parents and for staff!

Sports day, although lots of fun for all, is a busy day for staff and I want to thank them for doing such a great job!

CONGRATULATIONS!
SHERWOOD

Excellent teamwork and individual performances on the day. You smashed it! 😊

House Points

This week's house point results

Savernake Wood = 106

100 Acre Wood = 119

Sherwood Forest = 84

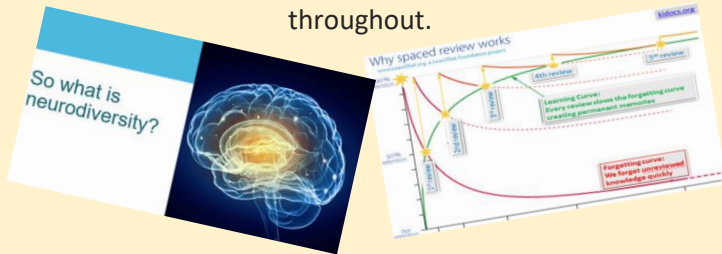

Forest of Dean = 113

Well done all 😊

Parent Coffee Afternoon with a focus on Dyslexia

On Wednesday we held our fourth coffee session of the year and invited Jackie Muggleton from the Local Authority to talk in more detail about Dyslexia and reading or spelling difficulties. The session was well attended with theory to understand Dyslexia, strategies to support your child in school and at home and time to ask questions throughout.

Thank you Jackie and parents for your time! If you weren't able to make it but would like a copy of the PowerPoint please email Miss Kelly via the school office.

This was our final coffee session of the academic year.

Both Mrs May and Miss Kelly would like to thank all professionals and parents or carers who have attended a session this year. We hope to continue this next academic year so look at for Term 1's session in September. Thank you.

Learning in Maple Class

Author Visit

Maple Class were very lucky to be able to meet a 'real-life' author last week. The children were invited to SBL school where author JJ Arcanjo gave a talk on what and who inspired him to write.

He introduced the children to his new book 'Crook haven', and Maple Class enjoyed listening to him read an extract. The children had the opportunity to ask lots of questions and also contributed their own ideas to help him write the next book in the series! Some members of the class bought a copy of the book and had it signed. 😊

Learning in Beech Class Visit to Ashford Water Treatment Centre.

The children in Beech Class had a great day. They toured the reservoir and went pond dipping.

The children learnt about the wildlife in the area and worked in teams to build shelters. The children had a great day! 😊

Learning in Holly Class

This week in Holly Class, the children learnt the story of the Three Little Pigs. They had an experiment, using the materials the children used to build their own houses. The challenge was to move away from tower building to thinking about enclosures, here are some examples.

Nature Explorers Pine Class

Year 2 enjoyed their Nature explore sessions this week developing their problem solving skills whilst making the most of our outdoor space and the dry weather!

The children worked well together as a team, communicating effectively and listening to each other's ideas.

Edgelets

We hosted our last Edgelets of the year this week, welcoming new pupils to school for a play session. It is a lovely opportunity for the children to get to know each other and become familiar with their new surroundings.

Thank you Mrs Williams and Mrs Parker to leading the session and to Miss Phillips for reading the children a story. ☺

Learning in Oak Class

Year 6 took the train to Bath this week to carry out a geographical traffic survey.

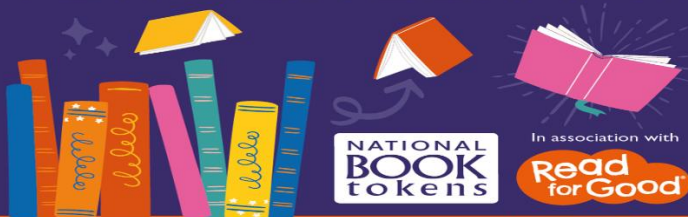

The children met at Keynsham train station, travelled to the city centre before taking up position in a number of key areas of Bath to collect their data. The children rounded off the day at Victoria Park.

As always, Year 6 were beautifully behaved and represented our school brilliantly. ☺

Redfield Edge vs Pucklechurch Girl's football team

Mr Cadden and 9 of our girls football squad took part in their first ever football match yesterday.

Redfield edge lost 6-0 however, the girls loved it and we can't wait to build on this next year ☺
