

Newsletter

Redfield Edge Primary School

'Striving to be the best version of ourselves.'

Year 5 boys worked so hard this lunchtime building their very own structure – they really enjoyed it and were desperate to have their photo in the newsletter! ☺

What are we learning next term?

Holly Class	What happens in spring? The children will be exploring the signs of spring, Easter celebrations including Shrove Tuesday, growing, planting and wildlife we see throughout the season. There will be an 'egg' week, which focusses on new life.
Hazel Class	When did humans visit space? The children will learn all about our solar system, the names of the planets and about our star – the sun. The children will research Neil Armstrong and explore the first moon landing in 1969 as well as Tim Peake, a British Astronaut who spent 186 days on board the ISS.
Pine Class	What happened in the Great Fire of London? The children will learn about this historical event from 1666. They will look at various sources of information to understand what happened and why. Children will delve into our modern-day emergency services and learn about fire safety.
Willow Class	What have archaeologists taught us about Ancient Egypt? Year 3 will learn about life in ancient Egypt. They will learn about famous Pharaohs, the pyramids, and the famous written language – hieroglyphics.
Beech Class	How have Anglo Saxons affected modern day society? The children will explore the life of Anglo Saxons; their villages, their jobs and how and when they came to invade Britain. Children will use artefacts to explain the Anglo-Saxon culture and how they have influenced how we live our lives today.
Maple Class	What impact have ancient Greeks had on modern life? With food tasting and dressing up, the maple class children always love learning about ancient Greeks.
Oak Class	What is around and beyond our planet? This topic spans two terms due to Year 6 having lot's going on! SATs and camp are big milestones for the oldest children in school.

Our School Values compassion respect resilience

Learning in Willow Class (History / D+T)

This week Willow Class have created their Titanic shoebox cabins with each box representing the different social classes on board!

Children have constructed mini beds and even included some of the first-class luxuries!

Miss Cole was so impressed. ☺

Learning in Beech Class (Double page spread 😊)

This week in Beech Class, the children have been working hard on creating fantastic double-page spreads as part of their Learning Enquiry. Our big question is, *"How did the Romans change Britain?"*

The children explored various aspects of Roman influence, including the introduction of roads, new forms of architecture, Roman baths, and their impact on the economy and trade. Each pupil has expressed their understanding creatively, using drawings, timelines, and detailed explanations. Their work highlights the breadth of their knowledge and curiosity about the Romans' legacy in Britain. It has been wonderful to see their pride in what they have produced!

Learning in Hazel class (English – writing)

In Hazel Class, the children have been busy writing. They have created two images, one imaginary and one real. The aim was for them to write a range of sentences using the present tense particularly words ending with 'ing'.

Year 1 have really impressed Mrs Nelmes and Miss Edwards over the past two weeks while Miss Andrews has been poorly. The children have worked so hard and I know Miss Andrews will be so pleased with their efforts when she returns after the half term break. 😊

Learning in Holly Class (Be my valentine!)

This week in Holly Class, the children have been exploring: Who else helps us in our community? The children have been learning about different people who play important roles in their daily lives, from shopkeepers to vets. They have gained a deeper appreciation for the many ways their community supports us all!

Holly Class also took some time to celebrate Valentine's Day, sharing kindness and love with their friends.

As Holly Class wrap up Term 3, they have been reflecting on all the wonderful learning they have done and looking ahead to Term 4 with excitement. The children cannot wait for the new adventures and discoveries to come!

Dates for your diary!

CIRCUS TRAIL- FEB HALF TERM

SPRING DISCO - 28TH MARCH

THE CIRCUS! - 4TH MAY

FUN RUN! - 6TH JUNE

SUMMER DISCO - 4TH JULY

Redfield Edge Friends

Learning in Oak Class (Final art pieces)

This week Oak class have created their final art pieces, which involved mixed-media collaging, sketching, and printing. They are proud of their designs, and it is wonderful to see their unique artistic skills shine! 😊

Congratulations to two of our Year 6 pupils who competed at the Somerset County Swimming Championships. Both children achieve personal bests, producing some pretty impressive times! Your club and school are immensely proud of you both! 😊

Mock SATs week for Year 6

Learning in Pine Class (Music)

In music this week with Mrs Williams, the children were learning about keeping the pulse using their bodies and singing a sound pattern whilst keeping the pulse. The children sang 'This is ... we are friends'.

Mrs Williams was really impressed with the children, working with partners to produce some great patterns. Mrs Williams described them as 'amazing' in this lesson. Well done Pine Class! 😊

FEATURING

**BEECH CLASS, HAZEL CLASS, MAPLE CLASS,
OAK CLASS, and more...!**

Learning in Maple Class

This week, the children in Maple class came to the end of their multiplication and division unit. They have explored and practised the key skills in a range of ways and will revisit specific areas in arithmetic sessions next term.

Year 5 also completed their Power of Parliament learning enquiry by comparing the democracy of the UK to non-democratic countries such as Apartheid South Africa.
