Focusing on researching a significant person, using commas in a list and apostrophes for contractions and possession.

History

The life and achievements on Amelia Earhart

Discovery RE

Does praying at regular intervals help a Muslim in his/her everyday life?

Where in the world would you go?

Science

Identify and compare the suitability of a variety of everyday materials.

Compare how things move on different surfaces.

Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching

Enquiries

Fair test- Which material makes the toy car move the quickest?

Classifying- Which material is waterproof for David Attenborough's camera crew?

Fair test- Which design allows the aeroplane to go the furthest?

Music

Create music to follow the emotions on David Attenborough- Our Planet.

Computing

Researching using secondary sources.
Programming.

PE

Orienteering
REAL PE: Cognitive Skills

PSHE

JIGSAW-
Dreams and goals.

Maths

Addition and subtraction

Solve problem with addition and subtraction using 2- digit and ones, 2-digit and tens, 2- digit and 2- digit and three 1- digit numbers.

Mentally use addition and subtraction facts to 20 fluently and derive and use relate facts up to 100 (if $2 + 4$ is 6 then $20 + 40 = 60$).

Multiplication and Division

Recognise multiplication as repeated addition and division as repeated subtraction. Eg 2×4 is the same as $2 + 2 + 2 + 2$.

Recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.

Money

Recognise and count a range of coins (pence and pounds)

Compare amounts and add totals together.

Geography

Locational knowledge

Name and locate the world's seven continents and five oceans
Name, locate and identify characteristics of the four countries and capital cities of the UK and its surrounding seas

Place knowledge

Understand geographical similarities and differences through studying the human and physical geography of Bristol and Brazil.

Human and physical geography

Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles

Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans
Use simple compass directions (North, South, East and West) and locational and directional language to describe the location of features and routes on a map.

Golden Thread: Community / Mental Health / Life Skills / Global Issues / Technology.
