

What are Pine Class learning in Term 5?

English

Fiction - writing a descriptive setting based on an alternative location to The Secret Sky Garden.

Non-Fiction - making minibeast information books

Science

Explore and compare the differences between things that are living, dead, and things that have never been alive. Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other, identify and name a variety of plants and animals in their habitats, including microhabitats.

Maths

Measurement: Mass, capacity and temperature.

Number: Fractions.

Measurement: Time.

Computing

Data handling- use technology purposefully to create, organise, store, manipulate and retrieve digital content.

Learn about word processing (including editing tools, shortcut keys and touch typing) and how to stay safe online.

Minibeasts

Geography

Creating maps about our school grounds and using these to navigate around the area to search for minibeasts. (*Life skills)

RE

Does going to a mosque give Muslims a sense of belonging?

PSHE

Relationships

Art

A Stick Transformation Project!

Artist Focus: Chris Kenny

Phonics Revision

or sound family
ur and er sound family
oi sound family

P.E.

Invasion games- Master basic movements including running, jumping, throwing and catching, agility and co-ordination, and begin to apply these in a range of activities, participate in team games, developing simple tactics for attacking and defending.

WOW! –

Minibeast hunts on the playground
