Redfield Edge Primary School

'Striving to be the best version of ourselves.'

Autumn at Kilve Court ☺

Learning in Maple Class Residential Trip to Kilve Court

On Wednesday, the children in Year 5 hopped on the coach and headed to Kilve Court near Bridgewater for their three-day residential trip. This is a fantastic opportunity for the children to develop independence and enjoy experiences we simply cannot offer them in the school setting.

On the first day, the children walked to the beach at Kilve and hunted for fossils.

The food is always very good and it looks like the children are enjoying their full English! ☺

Archery ☺

Abseiling ☺

Grass Sledding ☺

There are more photos to see on the Maple Class page at... redfieldedgeprimaryschool.co.uk

A message from Mrs Griffiths...

Year 5 had an incredible time on camp this week! They represented the school brilliantly, showing respect towards each other and to all the staff around them. The children were compassionate when friends felt nervous about tackling activities and showed great resilience when they felt a little apprehensive themselves. They embraced every challenge with enthusiasm — and *grass sledging* was definitely one of the favourites! What a fantastic couple of days away filled with teamwork, laughter, and adventure. Mrs Griffiths is incredibly proud of you all!

Learning in Hazel Class

Year 1 have been doing lots of practical Maths as they start working on addition and subtraction within 10.

School Uniform

A reminder that school uniform needs to be ordered online from Price and Buckland <https://price-buckland.co.uk/redfield-edge-primary>. We do have a limited selection of uniform in the office, which we are selling at our old prices. Please check what we have before ordering online. Thankyou.

Learning in Willow Class

In Year 3, the children have continued their learning all about the Stone Age. The children have been looking at the cave drawings left behind to figure out what life must have been like during that time. In addition, the children created their own cave drawings using pastels in their art lesson. Great job Willow class! ☺

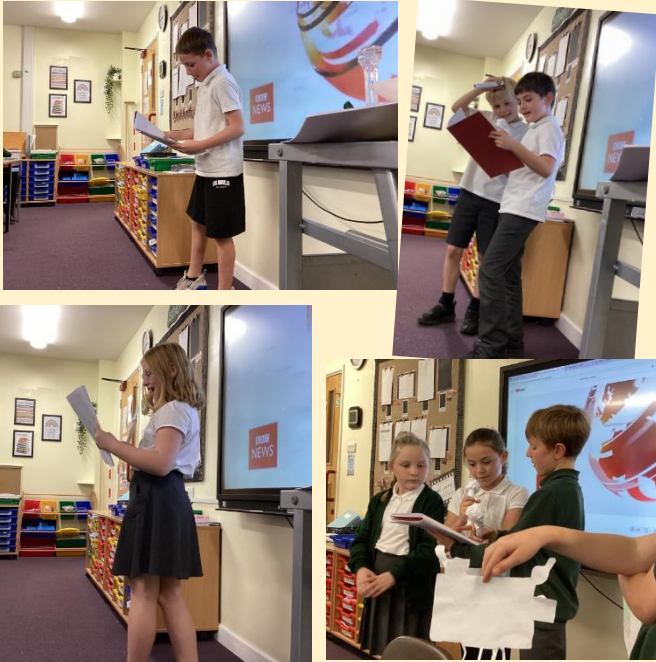

Healthy Snacks

This is a polite reminder that children are only permitted to eat healthy snacks at playtime. We recommend fresh fruit, veggie sticks, cheese strings, yogurt, rice cakes, dried fruit, oatmeal/cereal bites...etc

Learning in Beech Class

Year 4 have been news reporters this week! Last week, they did a survey of Redfield Edge School to see how it positively affects the environment. This was to answer our enquiry question: 'What impact does human activity have on ecosystems?'. They then put these findings into a report, using their best informative writing and had fun performing it to the class. Some groups even made props to go with it such as microphones and cameras. What a clever bunch!

Hello Yellow 10th October 2025

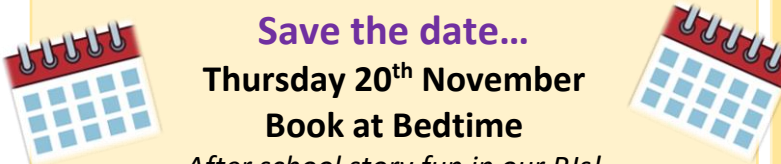

Last week, on Friday, we celebrated 'Hello Yellow' day to raise awareness around mental health and raise money for the 'Young Minds' charity. Children across the school got creative with exploring self-soothing strategies, identifying 'What makes us unique?' and the power of yoga & meditation. All children had a blast and it was a very successful day! 😊

Book at Bedtime

After school story fun in our PJs!

Bike / Scooter Store

I want to say a **huge thank you** to Finley, Josh and Max for offering to tidy up our bike/scooter store. They have worked so hard sweeping away the leaves and positioning the bikes to model to others what the store should look like.

You are super stars boys!

The staff enjoy a dress up!

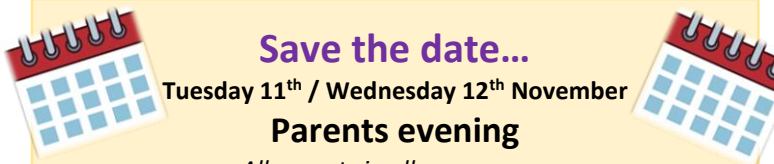

We raised £157.00 for Young Minds
Thank you! 😊

Nature Explorers

This week was the turn of Hazel Class!

'Mmmmm! Pancakes!'

Learning in Holly Class

This week Holly Class have been busy exploring all the wonders of Autumn! The children went on a nature walk in our forest area where they collected colourful leaves, which they then used to create beautiful leaf art with pastels. Holly Class loved spotting the different signs of Autumn and learning about animals getting ready for hibernation.

In Maths, our youngest children have been learning all about recognising and creating their own patterns!

In phonics, the children have been learning new sounds – 'm' and 'd' – Don't forget to check *Evidence Me* for Mr. Martin's phonics videos, which are a great way to support learning at home. Holly Class have had a fantastic time combining creativity, nature, and new skills – well done!

One more week to go! 🍂🌟

BLACK HISTORY month

BLACK* ARTISTS ON THE MOVE PRESENTS :

Dive into African art at
Cadbury Heath Library
Saturday 18 October

EVENT 1

A fun, hands-on workshop for children aged 4-8
