## Health and Safety Policy (Ref 12 MPHAS)

### 1.0 Statement of Intent

1.1 Mosaic Partnership Trust (MPT) ("the Trust") has overall responsibility for the health, safety and welfare of staff, children and visitors in the schools it operates. The Trust recognises that decisions about workplace health and safety should be collaborative, reasonable and proportionate to maintain a safe environment where children can learn and achieve their full potential and where employees are supported to ensure work related stressors are avoided.

1.2. The health, safety and welfare of staff, children and visitors is of paramount importance. We will achieve a safe environment for all by embedding a positive health and safety culture that aligns with our Trust principles of equality, diversity, inclusion and belonging.

1.3. The safety culture of our schools is the product of individual and group values, attitudes, perceptions, competence and patterns of behaviour. This policy includes our vision to ensure that our schools have a strong and positive safety culture through communication, training, collaboration, partnership and leading by example.

1.4. Together, we are committed to achieving the following aims and objectives:

- To provide, as far as is reasonably practicable, a safe and healthy working environment for all by complying with all relevant health and safety legislation, regulations and guidance.
- To ensure that all members of the Trust's community are aware of their health and safety responsibilities, providing clear roles and responsibilities at Trust and individual school level.
- To ensure that all staff receive sufficient training and resources to enable them to play an active part in achieving a safe and healthy working environment.
- To have an effective system for consulting and communicating staff on health and safety matters.
- To ensure that sufficient risk assessments are carried out to identify workplace and curriculum risks and implement control measures to control these risks.
- To effectively plan, implement, monitor and review the impact of the arrangements ensure safe practices in teaching, learning, site maintenance and school activities including educational and residential visits.
- To encourage, promote and continuously improve the Trust's health and safety performance by implementing a Trust wide health and safety management system.
- Enhancing the physical and natural environment of the Trust's estate.
- Ensuring that the Trust's decision making reflects sustainability principles.
- To ensure that the Trust operates a health and safety committee with staff and trade union representation.

1.5. The trust commits to the following by 1st September 2026

- Trust wide competent H&S provision for 12 schools through a single provider
- Embedding the Trust wide compliance tool across all our schools
- Using the estates management tool to ensure estate related H&S risks are managed appropriately
- Implement Trust wide accident and near miss reporting to enable the schools and the Trust to understand trends in incident and accident rates.
- Review work-related illness rates to identify trends in work related ill health.
- Implement the employee assistance programme (EAP) for all staff.
- Ensure all schools use EVOLVE to successfully manage education visits
- Develop and implement a Trust wide training matrix based on staff roles and responsibilities.
- Implement the Trust's health and safety committee with Trade Union and Staff representation.

## Health and Safety Policy (Ref 12 MPHAS)

Health and Safety procedures will be adopted, and responsibilities will be appropriately assigned to ensure the aims of this policy are met. Trustees, the Trust's employees and our children will play their part in implementing this policy.
